FOREIGN NEWS ON APPLES

THE HAMBURG APPLE MARKET

Inquiry was very active for American apples on the Hamburg auction Thursday, April 30, according to a cable from Fred A. Motz, Fruit Specialist in Europe for the Foreign Service of the Department of Agriculture. Supplies amounted to 131,000 boxes against 67,000 last week. Despite the heavier supplies this week, prices of Newtowns and Ortleys ruled slightly higher than last week and Winesaps and Arkansas Blacks held their own. The condition of the fruit was generally satisfactory. This will be the last Hamburg apple price report of the season.
